

Family Safe Driving Pledge

I understand that driving is a privilege, not a right, and I pledge to do my part to make driving as safe as possible for myself and our family.

- I will always wear my seat belt
- I will not drive under the influence of drugs or alcohol
- I will not ride with an impaired driver
- I will not text while driving
- I will stop in a safe place to text, manually dial or answer the phone, or have an extended conversation
- I will use a hands-free device if I absolutely need to make or answer a call while driving.
